

Start-up@ISH

Spot-on in Galleria 1! For the first time, the coming ISH, the world's leading trade fair for HVAC + Water from 11 to 15 March 2019, is putting the international spotlight on innovative start-ups.

At the Start-up@ISH area, young companies have the ideal platform to present their innovations and fresh ideas to market leaders, industrial giants, small to medium-sized companies and other start-ups at the world's biggest meeting place for the sanitation, heating and air-conditioning sector.

We offer space for presentations.

At the prominently positioned start-up area in the heart of the Exhibition Centre, start-ups can present their innovative technologies and products and hold high-grade discussions on their own exhibition stands.

You can choose, which package fits best for you and your Start-up:

2 days (Monday-Tuesday)	450,00 €
3 days (Wednesday-Friday)	700,00 €
5 days (Monday-Friday)	950,00 €

Prices excl. VAT.

Your stand package includes a 9 sqm stand with presentation, tables and chairs. You also get the chance, to bring brochures and flyers as well as your notebook for talking to clients.

Our Jury will then choose, if you are one of the Start-ups exhibiting at Start-up@ISH 2019.
