ISH 2025: Industry meeting point and leading platform for the Sanitary + HVAC sector. Solutions for a sustainable future

17 to 21 March 2025

ISH in Frankfurt

The keys to a sustainable future for our built environment are: protecting water as a resource, reducing emissions, using renewable energy sources and energy efficiency. ISH is where the whole sector can learn about the pioneering technologies and innovative solutions that will allow us to achieve these goals.

17 to 20 March 2025:
21 March 2025:

9 a.m. – 6 p.m.
9 a.m. – 5 p.m.

Messe Frankfurt GmbH,
Ludwig-Erhard-Anlage 1, 60327 Frankfurt am Main

Around 2,000 exhibitors and over 150,000 visitors

Visitor groups: Sanitary, HVAC industry and installers, architects and interior designers, planners, builders and property developers, investors, retailers, the public sector, energy consultancies, educational facilities and utility companies

The event's new structure will make it quick and efficient to find everything, with eight areas of solutions tailored to visitors' interests and requirements.

- **Bathrooms**
- **Water-bearing systems**
- **Installation**
- **Heat generation**
- **Indoor air**
- **Intelligent building management**
- **Software**
- **Sanitary & HVAC production**

A comprehensive conference and event programme will run during ISH. Find all the information on the solution areas and events at ish.messefrankfurt.com.
