

Factsheet

Co-exhibitors / Joint-stand participants (JSP)

Joint-stand participants are exhibitors represented with their own staff and products on a stand space rented by a joint-stand organiser.

There are different types of contracting parties for exhibition spaces:

- **Main exhibitor:**
is the sole company exhibiting and contracting party for the exhibition space
 - If this applies to you, please ignore this information.
- **Participating organiser:**
Exhibits himself and brings additional companies along.
 - Has to register his own company as a JSP
 - Has to register the additional companies as JSPs
- **Organiser:**
Is responsible for arranging for other companies to exhibit, does not exhibit himself and does not appear in the list of exhibitors.
 - Has to register the companies as JSP

The deadline for the JSP registration is: November 20, 2026

Attention: JSP registrations submitted after the deadline will just appear on the online exhibitor search on the ISH website but not in the printed official catalogue.

Please note that only registered JSPs with an order authorization have access to the shop for exhibitor services and the online ticket shop.

JSPs are subject to the same conditions of participation as the company hiring the exhibition space at ISH 2027.

All JSPs have to be registered.

Please note the following conditions when registering your JSPs:

- The products of the JSPs should be in accordance with the main product category of the exhibition hall concerned.
- All JSPs must be approved by Messe Frankfurt.
- The inclusion of a participants sharing a stand without the consent of the Messe Frankfurt Exhibition GmbH, entitles Messe Frankfurt Exhibition GmbH to terminate the contract with the joint stand organiser without notice and to clear the stand at the joint stand organiser's cost. Please see point 5 (3) of the General Terms and Conditions.
- After the show, the organiser will be charged with the cost of the media packages of all exhibiting JSPs. The media package costs 985,00 EUR for each JSP.
